FINANCIAL SECRETARIAT

Circular dated 22nd September 1953.

Subject:—Delay in the sanction of increments due to officers on foreign service, in their grade pay in the Department.

No. FI. (B) 7259-358—C.R. 11-53-1. According to Article 350 of the Mysore Service Regulations, the leave and pensionary contributions are to be recovered from officers on foreign service at one-fourth of the pay or salary of the officer from time to time. Consequently the rate of leave and pensionary contribution will have to be increased as and when the officers get the increments in the appointments on which they hold a lien in the parent department.

The Accountant General, Mysore, has reported that with a view to see that the increments are sanctioned to officers on the due dates and are communicated to his office so that the leave and pensionary contributions are recovered at higher rates, circular instructions were issued by him in Circular No. 1 P.A.C., dated 15th May 1953. In spite of these instructions, it is reported by him that several Heads of Offices and Departments have not taken action to sanction the increments on the due dates.

Since it is essential that the increments are sanctioned promptly so that the recovery of leave and pensionary contribution are effected at correct rates, the several Heads of Offices and Departments are directed to avoid delays in this regard and to adhere strictly to the instructions laid down in Circular No. 1 P.A.C., dated the 15th May 1953 of the Accountant-General, Mysore.
